

The logo is a shield-shaped emblem with a thick black border. The interior of the shield features a radial sunburst pattern with alternating bands of light tan, dark tan, and reddish-brown. Centered within this pattern is the text "Pimp My Code" in a bold, white, rounded sans-serif font. Each letter of the text has a thick black drop shadow, making it stand out against the busy background.

**Pimp  
My  
Code**
